

Sometimes less is more.

Sometimes it's just less.

If you're looking for greater efficiency, cutbacks aren't always the best answer. DigiKnow combines creativity with Internet and related technologies to help companies nationwide make more out of what they already have, whether to move products, motivate people or make operations more efficient. Call DigiKnow and we can talk about killer Internet strategies, enticing Web site development or an eye-popping array of other profit enhancement tools.

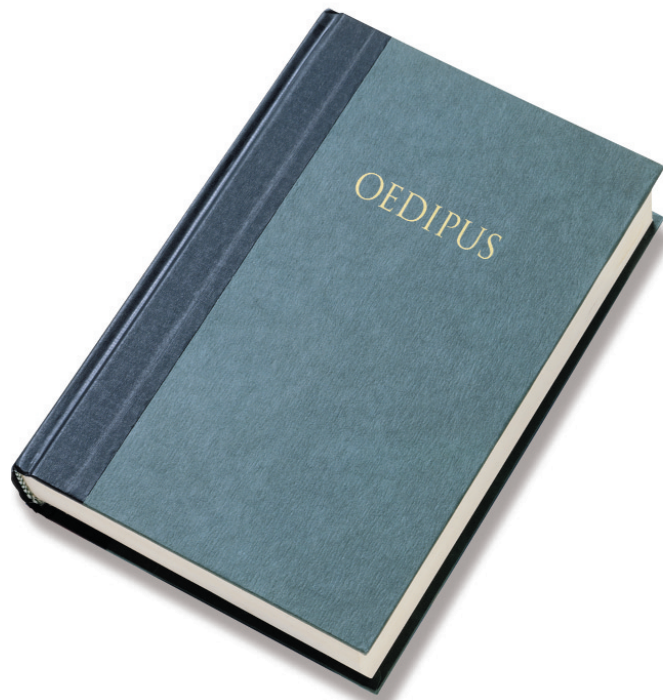

DIGIKNOW®

**CREATIVE MARKETING
TECHNOLOGIES**

Comprehensive E-Business
Branding, Marketing
and Application Development

A guy kills his
dad, has sex
with his mom,
then pokes his
own eyes out.
